Accused is absent. O/C Mukalmua PS submitted report citing that no warrant received against accused Deula Das and warrant received earlier on 12/12/18 is returned. Accordingly, issue fresh NBWA against the accused. It is also seen from record that accused started defaulting from the month of July, 2018 when case is fixed for recording evidence of official witness i.e. at the last stage of trial. This shown accused evading trial willfully. Hence, to procure his attendance issue Proclamation against the accused.
