Accused Maheswar Medhi is produced from jail Hajat. Copy is ready and furnished.

Heard both sides on consideration of charge.

Perused the C.R., C.D. as well as Charge Sheet. Having prima facie offence u/s 10 of POCSO Act against the accused Maheswar Medhi, the charge is framed under the said Section. The contents of the charge is explained and read over to the accused upon which he pleaded not guilty and claims to be tried.

Later on, perused the bail application for accused Maheswar Medhi. It transpires from C.R. that, the accused was arrested on 28/04/18 in connection with this case. The accusation brought forth by one Junmoni Hira inter alia alleging that, on 27/04/18 while she was staying the school then at about 11 A.M. the accused person touched her private parts while there was less student in the school.

Ld. Counsel for the accused person humbly submitted that, the accused is innocent and there was no such occurrence took place on the relevant day.

On perusal of the C.D., I find sufficient incriminating material appeared in the statement u/s 161 Cr.P.C. and hence the charge sheet has been filed against him to face trial. As the accused person is a local person, there is hardly any chance of absconding or pervading the process of trial. Considering thus, the accused is enlarged on bail of Rs. 50,000/- with a surety of like amount.

Issue summon to P.W.'s.

Remand the accused person to Jail Hajat till the
